Elena Rostova
Machine Learning & Data Engineer
Email: elena.rostova@example.com | Phone: (555) 345-6789 | Boston, MA

SUMMARY
Data Engineer with 3.5 years of experience specializing in Machine Learning, Pandas, PyTorch, and Python data pipelines.

EXPERIENCE
Data Engineer | DataMinds AI
2022 ? Present
- Built data ingestion pipelines and ETL workflows using Python, Pandas, and PostgreSQL.
- Trained NLP and LLM prompt classification models using PyTorch.

Junior Data Analyst | Insight Labs
2021 ? 2022
- Created automated reporting scripts in Python, NumPy, and SQL.

EDUCATION
Master of Science in Data Science | Boston University (2021)
Bachelor of Science in Mathematics | Boston University (2019)

SKILLS
Python, Machine Learning, Deep Learning, PyTorch, TensorFlow, Pandas, NumPy, SQL, PostgreSQL, Docker, Git
